STUDENT SATISFACTION SURVEY REPORT 2020-2021

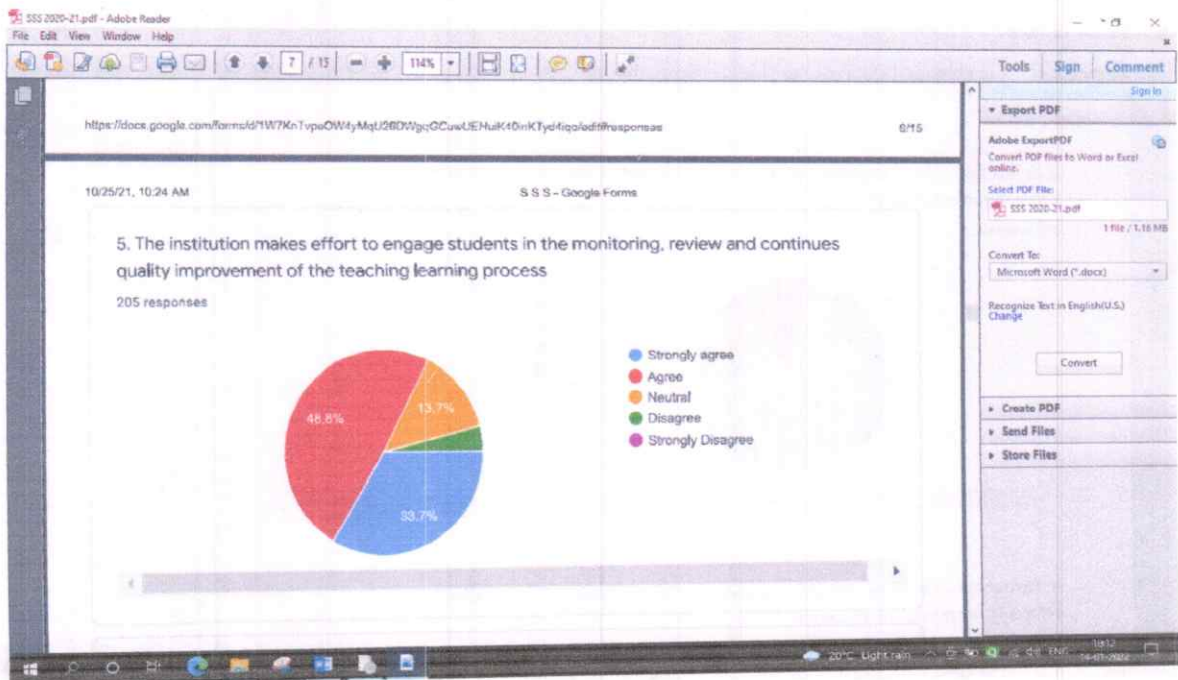

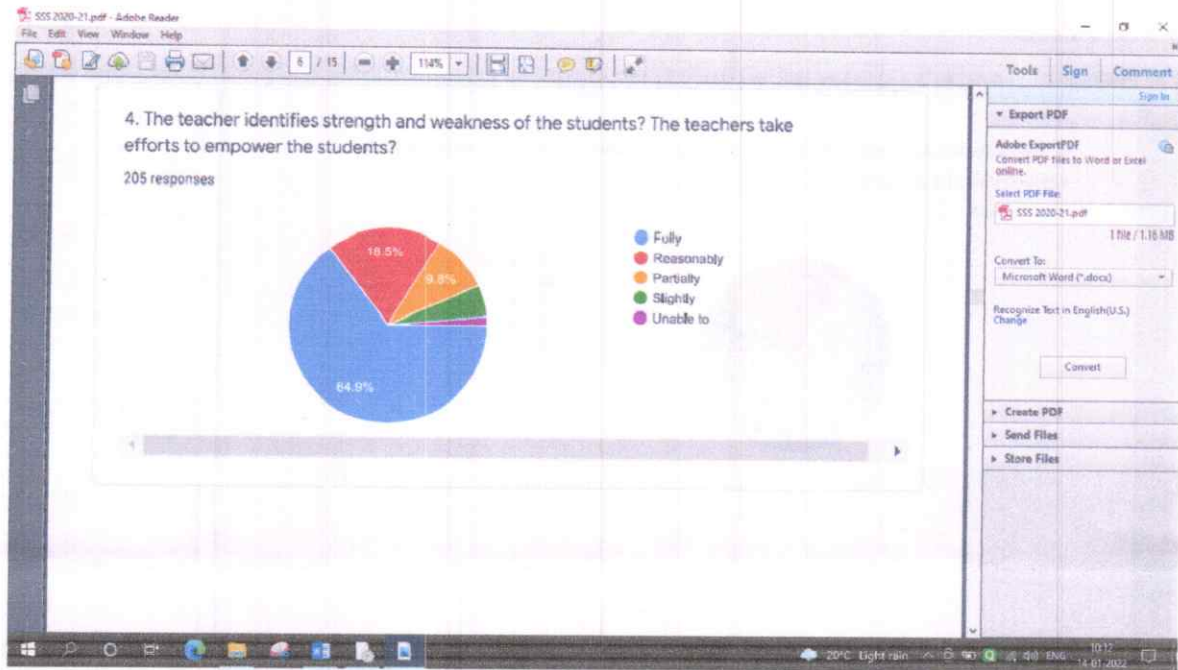

National Assessment and Accreditation council (NAAC) has made Student Satisfaction Survey (SSS) as one of the mandatory criteria. It is also a pre-qualifier for Assessment and Accreditation of the institution.

Students Satisfaction Survey Committee prepared questionnaire of 21 Multiple Choice Questions based on overall institution. 20 questions were objective and 01 subjective. Here, students have to give their three valuable suggestions for the wellbeing of the college. The survey was conducted through online mode (Google Form). The SSS link is made available on College Website for all the students. 205 students noted their opinions. The result of this survey is based on the responses of 205 undergraduate and postgraduate students. Out of which, 99 are from Humanities, 81 from Commerce, 13 from Computer Science and 12 from interdisciplinary studies.

The SSS has also pointed out few grey areas where the college/ teachers/ departments do have scope for enhancement in quality of education. They are as follows:

1. More emphasis on skill development and hands on assignments, inclusion of seminars, workshops and field visits..
2. Students demanded separate ladies room facility.
3. College should provide text books, reference books or any other related books and enrich library.
